How did you hear about us?

## **THE BENEFITS OF BEING A FAMILY or an AFFILIATE MEMBER**

Being a Family Member will register individual support in our Aims and entitle you to receive information on

- what we are doing,
- how to access our Internet Forum,
- how to access our various projects enabling you to be valuable users or contributors,
- an invitation and a vote at our Annual General Meetings; allowing you to have a valued voice to further the aims of the organisation
- access to volunteer for us or join our committee

## **THE BENEFITS OF BEING AN AFFILIATE MEMBER ORGANISATION**

### **Working in Partnership will**

- enable families to access a wider range of information and support under one umbrella enhancing the social, emotional health, well being and development of more families,
- expand on the good work that other organisations already do to reach as many families as possible,
- harness all that is good and working well , to build upon the strengths of existing networks and to develop these services to a new level in order to enhance the range of information, activities, benefits, services and support available to families

Thank-you for taking the time to complete this form.

Further involvement in some of our projects may require a more detailed form to be completed and in such cases, we will be in touch as soon as possible with more information.

Kind Regards From

Donna Nevill  
Founder & Secretary  
(on behalf of the committee)
